Dear Unit Member:

Greetings from the DAV Auxiliary State Department of Wisconsin! We wanted to take this opportunity to thank all members for the hard work and dedication being put forth in ensuring that veterans and their families in your community are taken care of. Those who work diligently for our mission are greatly appreciated, and please know your hard work does not go unnoticed.

With the current Coronavirus pandemic still looming, and the uncertainty of when things will return to a new “normal”, we wanted to use this as a means of checking in. The state department has always worked closely with units to make sure that they are running as efficiently and effectively as possible. Enclosed is a short questionnaire to fill out and return to state headquarters at the address above. Please use this as an opportunity to tell us what is working, what isn't working, and what we can do to help your unit, and it's members.

Please know that if your unit does run into trouble, whether it be holding meetings or obtaining a quorum, the state department is willing and able to assist as much as possible. Many of our state officers regularly attend meetings as a means of moral support to our units.

Again, allow us to thank you for all that you do, and for helping to fulfill our mission of service.

Sincerely,

Patty Davis, Adj.
on behalf of Julie Hert, DAV Auxiliary State Commander
